Confidence from Beginning to End

Galatians 3: 1-14
July 12, 2026 - Nick Bass

Theme: God's plan for his people has always been justification by faith in Jesus. Therefore, the people of God should not doubt the Gospel's sufficiency but have confidence in their right standing before God.

I. How did you receive the Spirit? (3:1-5)
   A. Christ was preached to them → but they have been "bewitched" (3:1)
   B. The Galatians received the Spirit by faith and not works of the law (3:2-5)

II. Faith has always been the plan means of justification (3:6-14)
   A. Abraham likewise was justified by faith (3:6)
   B. The blessing of Abraham received by faith (3:7-9)
   C. The curse of the law born by Christ (3:10-13)
   D. Summary: The blessing of Abraham comes to us by faith in Christ (3:14)

III. We can have the same confidence today.
   A. We see that faith has always been God's plan
   B. We know that faith can do what the law (our works) cannot
