Discussion Guide:
Where is God Inviting Meadowbrook in 2026?

Passages: 2 Kings 6:8-17; Matthew 9:35-38

Summary: As we come to the end of another year, we'll pause from James to celebrate God's work in and through Meadowbrook in 2025 and to look ahead to where we see God leading us in 2026. After our service, we'll also gather for lunch and our Annual Forum and member meeting to present our 2026 proposed budget, formed by ministry leaders and proposed by our elders, and invite our members to affirm this budget.

Discussion Questions

1. 2 Kings 6 invites us to see beyond the surface to see how God is actively working all around us. How have you seen God actively at work around you this year? Both in your own life and in Meadowbrook?

2. Read Matthew 9:35-38 together. What do you notice about how Jesus saw the crowds?

3. What do you see when you look at the "crowds" around you today? Is your heart like Jesus' heart when He sees them?

4. Who are the people God is inviting you to "see"? What kind of "invitation" is God inviting you to give them?

Take some time to pray together and pray for the people God is inviting you to see.
