RGC Core Seminar
The God Who Is There
Session 2: The God Who Does Not Wipe Out Rebels
Session Summary

In today's session D.A. Carson will unpack Genesis 3 which details our fall into sin. He traces how that first rebellion fractured our fellowship with God and our relationships with others and destroyed our ability to do anything good. Thankfully, the gospel does not leave us separated from God, and Carson will help us to see that too.

At one point Carson says that sin is our attempt to "de-god" God. How is that true and how does the gospel fix the problem?
