Core Seminar: *The God Who is There*

Session: 5: The God Who Legislates

REDEEMING GRACE CHURCH

Big Idea: God gives laws to govern our relationship with Him (vertical) and with other people (horizontal).

1. In Exodus 3:13, God discloses Himself to Moses: "I am who I am. Say to the people of Israel, "I am has sent me to you."
    a. Who is God declaring Himself to be?
    b. Why is this self-disclosure important in the establishment of the Law to Israel?

2. We learned about God's covenant with Abraham last week – great land, great nation, great blessing. How do the Ten Commandments or the Mosaic covenant - support and uphold God's commitment in his covenant with Abraham?

3. The first two commandments of the Ten Commandments speak of God's exclusiveness (no other gods before me) and his transcendence (no graven images). Why is God a jealous God? What is He jealous of?

4. How do people misuse the name of God today?
