Core Seminar: *The God Who is There*

Session: 6: **The God who Legislates**

REDEEMING GRACE CHURCH

Big Idea: God gives laws to govern our relationship with Him (vertical) and with other people (horizontal).

1. How do the tabernacle structures found in the book of Leviticus support the first four laws of the Ten Commandments?

2. How do the rituals performed in the tabernacle address Israel's inability to keep the Old Covenant (Ten Commandments)?

3. Why does Exodus 32-34 (the golden calf incident) show us that "the Law cannot save"?

4. So, if the Law cannot save, then what does the Law and the sacrificial system built around it accomplish? How do they foreshadow the New Covenant?
