## 3rd Quarter

## Message from the Director

It's hard to believe we are one quarter away from finishing our first year! Our students continue to work so hard academically, but they have also established such great teamwork and collaboration within their homerooms. Our students are learning to CRASH each day and we are so proud of them!

We are excited that all of our kindergarten through eight grade students will be joining us again for year two. That is a 100% return rate...WOW! While we are still early in the enrollment process, we have seen our enrollment almost double from where we started in August of this year. Currently we have 146 students enrolled and we are expanding to 9th grade.

We continue to be so thankful for all that the Lord has blessed us with and all that he continues to provide to our school. Thank you for allowing us to be a part of this special time in your child's life.

Vanessa Mundie

## Pre-K News

Our preschoolers have been hard at work preparing for their Showcase coming up this week. We welcome any of our ACA families to come enjoy their program and art show on April 11th, 6:30pm at Crossroads Baptist Church.

This quarter, our students have enjoyed another story time visit from Ms. Diana from the Augusta County Library. We are in the process of starting visits for preschoolers to our own school library to check out books weekly for the remainder of this school year. Please mark your calendars with a few upcoming dates. We have a field trip planned to the Green Valley Book Fair on Thursday, May 2nd and our last trip of the year will be to Troyer's Farm in Stuarts Draft on Friday, May 17th.

Thank you to everyone who has volunteered candy, volunteer hours, or refreshments to help with class events. We are so grateful for your support!
