November 2023

Month Summary

Our Monday Activity Day's have been a hit so far!

Our first trip was to the Blue Ridge Tunnel where our students explored the tunnel with a 4-mile hike. While in the tunnel, our younger students explored different rocks with their headlamps and some of our older students had a nice run as they wanted to make the hike a little more challenging. After the Blue Ridge Tunnel, students enjoyed pizza for lunch and an afternoon at Ridgeview Park.

Our second trip was to Staunton Lanes where students strapped on their bowling shoes and had a great time trying to bowl those strikes and spares. When they wrapped up their bowling trip, they headed to Gypsy Hill Park for a beautiful fall picnic filled with pizza and play.

November Activity Days include Valley Jump and Rockingham Park on November 6 and Virginia Wetlands and Montgomery Hall Park on November 20. Use the QR code to register your student. You don't want to miss out on all the fun!

ACA Projects

One of the projects ACA students will be doing during our Harvest Day is packing Thanksgiving meals for local families in need. These meals will be delivered on Thanksgiving morning.

ACA is excited to announce that we will be the host school for the Augusta County Thanksgiving Project. If you would like to participate in this project, please join us at ACA on Thanksgiving morning at 7:30 to prepare for distribution.

If you are unable to help distribute the meals, a \$15 donation will provide one family a meal. You may send cash or check to ACA. Please contact the school office if you have any questions.
