Hacienda News

Last week was packed with basketball games, final exams, bittersweet goodbyes, and joyful new beginnings. Our varsity boys played against two of the top schools in the area. Although we didn't win, the games were close and motivated our boys to strive for improvement.

Final exams kept all of our students busy-no small feat with over 40 children! We are incredibly grateful for our dedicated educational staff, who know each child's strengths and challenges and guide them through demanding weeks like this. Personally, I was relieved that I didn't have to take a single test!

After exams wrapped up, the kids enjoyed a well-deserved two-day break, giving us the chance to relax and enjoy fun activities together. Friday was a day of transitions.

We said goodbye to Diana, one of our university students, who is moving to Argentina to pursue a nursing degree. We are so proud of her hard work and confident that God has incredible plans for her.

On the same day, we welcomed two children as an emergency placement, including a sweet seven-year-old with Down Syndrome, our first child with Down Syndrome as part of the Hacienda family. Her joyful, contagious smile has already brightened our hearts.

There is much to be thankful for and even more to pray for. Please join us in lifting up all our children, especially Diana as she embarks on her new journey and our two newest additions as they adjust to their new home.

-Jauna
