

June News

June was packed with excitement and fun! The children put on an amazing Frozen Jr. production, trained hard in gymnastics, won the finals in basketball, and celebrated graduations from both kindergarten and high school.

We were also blessed to have teams from the States join us during this time, including groups specializing in dental care, gymnastics, and voice and drama,

Now, we're ready to jump into July with full force and can't wait to see all the great things it will bring for our kids!
