

# LEVITICUS

## READING GUIDE

Instructions - Don't read for speed or to check it off your to-do list. Read for understanding, be curious. Read several times in a week, ask questions while you are reading: what's the message, what don't I understand, what stands out? Write or journal your thoughts. Don't be afraid to highlight, underline or write in the margins. Share your thoughts and findings with others. Start a conversation. To go deeper, look to outside resources. Finally, remember to pray, ask God to reveal to you His meaning and purpose.
