

## 1 Peter 1:22-25 “One True Love”

**Main point:** As Peter continues to call upon his readers to live in light of their great salvation, he moves on from his previous applications of thinking and living in hope, holiness, and fear, to exercising a fervent Christ-like love for one another.

## Additional Notes:

### Key Points of Consideration & Application:

**1.)** What are some of the various ways in which a person could love another, and can unbelievers love in the same ways as believers?

**2.)** In what ways does the Word of God help me to love others?

**3.)** What are some correlations between love and truth, and how does growth in one contribute to growth in the other?

**Key Passage to Memorize & Meditate Upon: 1 John 3:16-19 (LSB)** By this we have known love, that He laid down His life for us; and we ought to lay down our lives for the brothers. <sup>17</sup> But whoever has the world's goods, and sees his brother in need and closes his heart against him, how does the love of God abide in him? <sup>18</sup> Little children, let us not love with word or with tongue, but in deed and truth. <sup>19</sup> And by this we will know that we are of the truth, and will assure our heart before Him
