## Additional Notes:

### Key Points of Consideration & Application:

**1.)** What roles do a person’s good works play in their life, faith, and relationships, and what does the Bible say about God’s view of a person’s good works?

**2.)** How does God evaluate, or change the condition of a person’s heart, and how can a person evaluate or change the condition of their own heart?

**3.)** How does the condition of one’s conscience impact the effectiveness of their witness for Christ and His gospel?

**Key Passage to Memorize & Meditate Upon:** Titus 2:11-14 (LSB) For the grace of God has appeared, bringing salvation to all men,<sup>12</sup> instructing us that, denying ungodliness and worldly desires, we should live sensibly, righteously, and godly in the present age,<sup>13</sup> looking for the blessed hope and the appearing of the glory of our great God and Savior, Jesus Christ,<sup>14</sup> who gave Himself for us that He might redeem us from all lawlessness, and purify for Himself a people for His own possession, zealous for good works.
