

## Ephesians 5:22-24 “A Christian Home pt. 1: Godly Wives”

**Main point:** The Apostle Paul continues to expound upon his exhortation to the Ephesians to walk in a manner worthy of their calling by instructing them in how they are to reform all of the subordinate areas of life which pertain to a worthy walk, moving now to the home, and particularly, how wives are to walk worthily.

## Additional Notes:

### **Key Points of Consideration & Application:**

**1.)** How did I develop my views on what marriage is, the purpose of it, how the husband and wife are to live and relate to one another in their perspective roles, and how has my perspective changed over the years?

**2.)** What have I learned from my experiences with different styles and practices of leadership and submission, whether that be in a marriage, family, workplace, or in the church?

**3.)** How should the basic principles, practices, and commands, which are given in the New Testament for every disciple, influence and govern the roles for members of a marriage and family?

**Key Passage to Memorize & Meditate Upon: Prov 31:10-12 (LSB)** An excellent wife, who can find? For her worth is far above pearls.<sup>11</sup> The heart of her husband trusts in her, and he will have no lack of gain.<sup>12</sup> She deals bountifully with him for good and not evil all the days of her life.
