Final Word by Pastor John MacArthur

Reviewed by Sandi Gagnon

Let me begin this review by reminding us that The Bible states:

2 Timothy 2:15 15 Do your best to present yourself to God as one approved, a worker who has no need to be ashamed, rightly handling the word of truth. It also states: 2 Timothy 3:16-17 16 All Scripture is breathed out by God and profitable for teaching, for reproof, for correction, and for training in righteousness, 17 that the man of God may be complete, equipped for every good work.

Pastor MacArthur does a great job in helping to remind us of these truths. For such a shorter book (under 200 pages) I believe that every Christian should read and re-read this book. The author first starts by cautioning us on the age-old strategy that Satan has used from the Garden of Eden in twisting and manipulating the spoken words of God. It continues to this day. In an age where the Bible is being revised in order to meet a present social agenda, or Pastors are starting to state that we should "unhitch one part from another", as we hear the phrase over and over "your truth is not my truth", we as believers must adhere to the total inerrancy, complete authority, and the absolute sufficiency of God's written word, our Bibles. It is imperative for our detection of false teachings, our defense of the attacks that God's Word always seems to be facing, as well as the catalyst for our own personal sanctification and deeper relationships with our Lord and Savior. The book is small, but the content is abundant. Reading this book will not take an extraordinary amount of time, but the encouragement, warnings, and call to be a "students of HIS Word" is invaluable. Highly recommend. I will be re-reading this again.

Mike & Brenda Cooper - planting churches in New Zealand - Pray (1) for outreach strategy at New Lynn Bible Chapel where Mike has just begun pastoring, (2) beginning a men's Bible study on Thursdays and Bible studies in two retirement centers, (3) wisdom and guidance in leadership strategy meetings, (4) for open hearts as they begin weekly mailing campaigns, (5) for Brenda as she continues to mentally decline and has been placed in a new rest home.
