Notes to Parents:

This week we begin to study Unit 6 in our text—Day 6 of creation, so we will add Genesis 1:24-27 to our memory work. The ESV version that the students should be memorizing is below:

24 And God said, "Let the earth bring forth living creatures according to their kinds—livestock and creeping things and beasts of the earth according to their kinds." And it was so.

25 And God made the beasts of the earth according to their kinds and the livestock according to their kinds, and everything that creeps on the ground according to its kind. And God saw that it was good.

26 Then God said, "Let us make man in our image, after our likeness. And let them have dominion over the fish of the sea and over the birds of the heavens and over the livestock and over all the earth and over every creeping thing that creeps on the earth."

27 So God created man in his own image, in the image of God he created him; male and female he created them.
