

FAMILY & FRIENDS WEEK CHALLENGE

Worship Together • Pray Together • Grow Together • Serve Together

BE INTENTIONAL

Family & Friends Week is about being intentional. This week, we are challenging families to set aside time to **worship together, connect with one another, pray and grow spiritually, serve others, and build a lasting family legacy.**

WHO CAN PARTICIPATE?

A family is two or more people who share a meaningful family connection and participate together.

This can include parents and children, couples, siblings, grandparents and grandchildren, extended family, guardians and children, and other loved ones you consider family.

You do not have to live in the same household to participate together.
