

# CALVARY COMMUNITIES

Calvary Communities meet in homes throughout the valley and typically include a meal or casual time of snacks and getting to know others, discussion of a Bible passage, prayer for one another, or a time to reach out to friends and neighbors. These communities are for singles, families, young and old, from all backgrounds. These are our version of home groups, based out of the vision of church we see in Acts 2:42-49. We'd love for everyone who calls Calvary Boise their church home to be a part of a Calvary Community where they can be cared for and live out the 59 "one anothers" of the New Testament that make up much of the Christian life.

There are two important events for the body coming up to help you get involved in a Calvary Community.
