# A NEW HOPE!

Together with **CALVARY CHAPEL BOISE**, Send Hope Now is Changing Lives for Indian Children

## A STORY OF HOPE

This is Asha. His story reminds us how God is still our HOPE, even when everything seems hopeless.

“I UNDERSTOOD DEEPLY ABOUT THE LORD JESUS CHRIST AND HIS WORKS

-Asha

**Asha** was a child when his world shattered. His family, unable to bear the shame and burden of his HIV diagnosis, abandoned him. Alone, scared, and not understanding what was happening to him, Asha found refuge with Send Hope Now.

They cared for him, gave him a home, and gave him belonging again. At 18, with health challenges and no education, he was terrified of what awaited on the streets of India. His hope for a better life started to fade away.

But God had other plans. Send Hope Now stepped in once more, offering him a lifeline—a complete college education for just \$1,200. This education is transforming his life and giving him the tools to escape the streets, find purpose, and build a future.

**“I came to know about the LORD Jesus Christ. By the grace of Almighty God, and through His word and sermons of His servants, day by day I understood deeply about the LORD Jesus Christ.”**
