

BIBLE OUTREACH MINISTRY

Our mission is an outreach ministry that seeks to spread the gospel to the Spanish speaking community in our area and in Mexico by providing them with a free Spanish Bible. This ministry's goal is to freely equip them with the living and powerful Word of God to read for themselves and in their language.

We believe that the Bible is the most powerful tool we can give to people who are searching for a meaning in life. Every year we actively seek opportunities to offer a free Bible to individuals who are at work in the local fields around Brentwood and to those in Mexico communities. As we meet with them, we pray that the power of God's Word will:

- open the door to conversations about faith and God's love.
- allow us to share the gospel message of Jesus Christ and Him crucified.
- encourage people to desire a knowledge of God as revealed in Scripture.
- experience the life-transforming eternal love of Jesus Christ.

Providing Scriptures are too costly for many to afford and often there is little or no access to the Bible. You can help to place Scriptures in hands that are eager to read the life-transforming message of God's love and forgiveness.

Rom 10:13-14 For "everyone who calls on the name of the Lord will be saved." How then will they call on Him in whom they have not believed? And how are they to believe in Him of whom they have never heard?
