

## **1 John 2:3-14**

### **Passage Reflection**

This page is meant for individuals, small group Bible studies, or one-on-one interactions. Since learning more about the text's meaning in our corporate gathering, I would encourage you to meditate on the passage again so that you might respond to God in praise and obedience. While I have not answered all of the questions below for you, I've included some of my personal meditations that may be of some benefit. May reflection on this passage be used by God to conform you into the image of Christ.

#### **What do I learn about God?**

In this passage, God is giving the reader clarity as to what type of people truly know God.

#### **Is there anything for which I should repent based on this text?**

Is the love God has shown me being perfected (completed) as I love my brothers and sisters?

#### **How might God use this passage to make me look more like Christ?**

If I'm a child of God, like Christ is, then I will walk in love the way that Christ walked.

#### **How does this passage affect evangelism?**

The truth in this passage is important for people to understand. It's not a claim to know God that makes a relationship with God real. It is knowing God on His terms that make the relationship real.

#### **How can I edify the church based on what this passage says?**

I can encourage my brothers and sisters to perfect (complete) the love of God by loving one another.
