## Suggested Sermon Discussion Questions

### **2 Peter 1:3-11**

### **“Grace that Produces Growth”**

1. Peter says God has given believers “everything we need for life and godliness.” What are some situations where you are tempted to believe that God’s provision is not enough?
2. What is the difference between merely knowing facts about God and truly knowing God relationally? How can you tell the difference in your own life?
3. Peter calls believers to “make every effort” in spiritual growth. Why do Christians sometimes drift toward either passivity (“let go and let God”) or self-reliance? Which tendency do you struggle with more?
4. Which of the qualities in verses 5–7 most needs growth in your life right now (self-control, steadfastness, brotherly affection, love, etc.)? Why?
5. Peter connects spiritual growth with assurance. How does ongoing growth and repentance help strengthen confidence in your relationship with Christ?
6. What practical habits or rhythms help cultivate spiritual growth in everyday life? What tends to hinder or distract you from pursuing godliness?
