Suggested Sermon Discussion Questions Romans 5:3–8, “Rejoicing in Our Suffering”

1. What does it mean to rejoice *in* your suffering instead of rejoicing *despite* your suffering?
2. Can you reflect on a time (and maybe that time is now) in your life where you suffered, and yet by God’s grace, you were able to rejoice in that?
3. How did you see the Lord produce endurance, character, and hope in you in light of your suffering?
4. How did the Lord prove His love for you in your suffering?
5. Paul’s encouragement about suffering is sandwiched between Gospel truths about who we are in Christ (5:1–2 and 5:6–8). How do these embolden and encourage us in light of suffering?
