

Affirmation of Member Commitment

I will be diligent to exercise self-control so that my lifestyle exhibits both true Christian love and personal holiness.

I will faithfully assemble with this body of believers, striving to maintain unity, and doing all I can to stimulate love and good deeds in others as I seek to exercise my spiritual gifts in faithful service.

I will consistently contribute, as a good steward of God's blessings, such time, talent, and resources, in the measure that God prospers me, so that the local and worldwide ministry of spreading the gospel may continue.

I will teach biblical truth to my family and acquaintances, as God gives me opportunity, with a desire to see them come to trust Jesus Christ and be saved.

I will always be willing to both give and receive admonition and instruction with meekness and in love.

I will commit to praying for the ministry here in this church, my brothers and sisters in Christ, the elders, pastors, and deacons; and for the lost who need the Savior.

I will, with the aid of the Holy Spirit, seek to love, encourage, teach, admonish, comfort, and exhort other members, with a genuine desire to see each one grow in the knowledge of Christ and His Word.

Book of the Month

Deeper

by Dane Ortlund

"Christians instinctively know that their spiritual lives should be defined by steady growth in godliness. But struggle comes into the picture when we try to figure out how this growth happens. Some opt for increase effort in deficient areas. Others accept their lack of growth and settle for the status quo. In Deeper, Dane Ortlund helps us see that neither of the above solutions produce lasting growth. Instead, lasting growth comes from a deeper relationship with Christ. This book will be an encouragement to anyone willing to read it!"

Weekly Resource

No Longer Slaves to Sin

by Timothy McCracken

"In all the CA State Prison chapels where I work, the current passage before us is the sixth chapter of Romans, in which are the words, "sin will have no dominion over you". And there, among men who have a keen and intense familiarity with what it means to not be free, we've been exploring the fundamental release from bondage inherent in the nature of our salvation, release not only from transgression's final penalty but from sin's cruel dominion now."
