

52 Week CBC Bible Reading Challenge for 2026

Beginner: Divide each week the verses or chapters by 7 and read that much each day.

Example: Week 10: John 1-21 equals 3 chapters a day.

Advanced: Read the entire thing every day.

Completed: Mark Complete Each and Highlight one verse or section for that week.

Share with Someone: Once you highlight that section or verse share it with someone that week (spouse, children, someone at CBC, co-worker, etc...) Try to choose a new person each week.

If you miss a day, week, or month just jump right back in!
