

August 4, 2026

We, the undersigned duly elected Pulpit Search Committee of Christ Church Katy ("CCK"), seeking to serve well the congregation that has entrusted us with the task of seeking the will of our Lord for His church, do affirm the following commitments in a spirit of Christian unity and seeking the wisdom of the Holy Spirit who dwells within each of us.

A Commitment of Faith - To seek the Lord in prayer and to trust the Lord to lead the committee to God's man to Pastor our church. We commit to pray for CCK, the committee, the candidates, other people we meet with for counsel, and for the Lord to reveal to us His man who will be our Pastor.

Commitment to Team - To work together with the committee with mutual submission. To not champion our own agendas. But to work together to seek the Lord to discover the man He has selected to Pastor our church. To contribute by openly sharing ideas and thoughts with others on the team. To listen to others with an open mind. To follow the leadership of the committee and not overstep our Lord's leadership.

Commitment of Time - The search process will take a commitment of time to meet together as a group, to read and prepare, to listen to sermons, etc. Only the Lord knows how long this search will take, so a commitment to stay on the committee until the search is over is imperative.

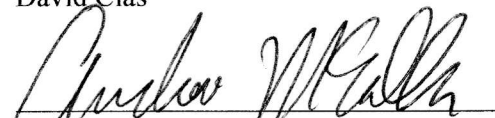

Commitment to Confidentiality - Every member of the Search Committee must be committed to absolute confidentiality about every aspect of search. This includes not sharing any information discussed in committee meetings. To not share possible candidates being considered. To not share what other committee members have said in meetings. This confidentiality precludes us from sharing such things even with our dearest friends or family members.

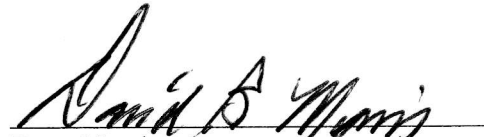

Commitment to the Decision Made - Once a decision is made by the committee, each of us as committee members will fully support that decision. We will not share any information that went into the decision. We will not speak against the decision with anyone.
