CHAPEL OF THE CROSS

Our Heritage

Bible Reading Plan
Spring & Summer 24

We have such rich history here at Chapel of the Cross. Join us as we remember the **champions of our faith** and **deep theological truths**. Most of all, our prayer is that everyone is able to personally connect with **Jesus**. He is our foundation that will last forever. On most Mondays, we will start out the week by reading a section of Proverbs. For the rest of the week, we will visit a different champion, learning one of the truths they defended.

Throughout this sermon series we will feature many different photographs from our past. On the cover of this reading plan are photographs from our original church building. Chapel got her start as **Saxonville Baptist Church** in Framingham, MA. **Pastor Don Madvig** is pictured with his family. He was our church's first regular pastor and first pastor to live in the parsonage. He later went on to teach at Bethel Seminary in Minnesota (associated with Converge) and serve on the translation team for the NIV Bible.

"By the grace God has given me, I laid a foundation as a wise builder, and someone else is building on it. But each one should build with care. For no one can lay any foundation other than the one already laid, which is Jesus Christ. If anyone builds on this foundation using gold, silver, costly stones, wood, hay or straw, their work will be shown for what it is, because the Day will bring it to light. It will be revealed with fire, and the fire will test the quality of each person's work. If what has been built survives, the builder will receive a reward. If it is burned up, the builder will suffer loss but yet will be saved—even though only as one escaping through the flames." - 1 Corinthians 3:10-15
