

CLEANING UP THE MESS AND CHAOS

by Pastor Ted Laesch

It was time. Shovels and rakes piled up in the corner, never put away neatly after the last lawn project; the curled-up hose needing to get installed outside to water the plants during the dry time this summer; empty cardboard boxes stacked perilously high (you never know when you might need a box!); and the floor littered with all kinds of debris: leaves from last fall, bird feathers (where did those come from??), dead spiders, and those pollen-filled wormlike dangles that fall from the oak trees (I've since learned that these are technically called catkins). Not a floor for bare feet! The garage was a mess. It needed several hours and a little bit of sweat and muscle to bring some cleanliness and order to that dirty and chaotic space.

Are you like me? Need some cleanliness and order in your dirty and chaotic space? And not just in our garages or living rooms or kitchens, but in our hearts and minds. How often do we need Someone to come in with their spiritual sweat and muscle to bring some cleanliness and order to our dirty and chaotic spaces!

Thank you, Jesus! He has such a beautiful way of cleaning any part of our lives no matter how dirty and messy it may be. He sweeps away the dust and grime and grit with His holy absolution. He washes clean the spiritual crud with the life-giving waters of Holy Baptism. He creates order where broken chaos once reigned with His beautiful words: "Take and eat, this is My body. Take and drink, this is My blood shed for you for the forgiveness of your sins."

And the next day? When the wind blows into our lives the dead leaves and spiders catkins? Here He comes again, never to leave us in the mess and chaos that sin brings. Here He comes with His love. Here He comes with His forgiveness. Here He comes with His Spirit. And not just the next day, but the day after that... and the day after that... Every. Single. Day.

Thank you, Jesus! †††

HELPING HANDS FOOD PANTRY

by Diane Timm

Greetings from the Helping Hands Food Pantry! Our summer has been very busy as our numbers continue to increase, and we are seeing more new families who have never been to a food pantry.

This year from January through the middle of June we have ordered 11,545 pounds of food from St. Louis Area Food Bank. Most of the food we receive is free but the food we pay for is under the local area stores' cost. We continue to receive food like fresh produce, canned and dry goods and meat from Operation Food Search. We pick up food from Sav-a-lot, Schnucks, Panera and Starbucks. We still receive food once a month from St. Joseph of Cottleville.

LADIES' BIBLE STUDY

by Bill Rusnak

Every first and third Tuesday from September through May, Chapel's ladies love to gather for study and fellowship. In 2024, we have been studying "Heroines of Faith" in the Bible. Why should we study Biblical heroines of faith? Because it is a Bible study about some ordinary women who can edify and encourage our walk with God and each other in some extraordinary ways. Such a celebration of the work of redemption that God brings about in and through the lives of his saints - points to our Lord, Jesus Christ. From January through May we studied: Sarai/Sarah (c. 2166 B.C.) with the themes of Promise, Doubt, and Faith, Hebrew Midwives and Miriam (c. 1526 B.C.) with themes around Resistance and Courage, Deborah and Jael (c. 1209-1159 B.C.) with the theme of Leadership, and Ruth (c. 1209-1159 B.C.) considering the themes of Loyalty, Love, and Redemption.

Our study and fellowship will resume on Tuesday, September 17 and continue through November 19. Our study will continue with Hannah (c. 1100 B.C.) around the theme of Prayer, Abigail (c. 1050-1010 B.C.) under the theme of Peacemaking, Esther (c. 486-465 B.C.) with the themes of Providence and Obedience, Mary, Mother of Jesus (c. 4 B.C.) with the topics of Obedience and Family, Mary Magdalene (30-33 A.D.) under the topics of Service and Faith. Then finally, perhaps in January, The Woman of Godly Character with the themes of Character and Beauty.

When you join our Ladies, you will quickly see that our study is not intended to move quickly, but rather at a pace allowing for discussion, laughter, sharing and prayer. Please feel free to join us this Fall! 🙏🙏🙏

FALL MIDWEEK BIBLE STUDY

In a 10-lesson Bible study, we will probe the Book of Proverbs in the context of The Ten Commandments and discover a unique view of the wisdom contained in the book. Each of the 10 chapters--one for each of the commandments--offers thought-provoking questions and activities that will help shed light on that commandment and its application in our lives.

Beginning Wednesday, September 4, we will learn how we are called to fear, love, and trust the Lord because He first forgives, loves, and treasures us. Join us in Room 8! 🙏🙏🙏

SECOND SATURDAY WOMEN'S FELLOWSHIP

by Jennifer Krupp

The Second Saturday Women's Fellowship started in June 2023 with about 10 women attending. Meeting from 9:30 am until, well, no later than noon. (Leave when you need to!)

Great conversations sprung from prompts like "What is something most people in this room don't know about you?" and "Tell us a vacation story."

As the summer progressed and the gym heated up as well, the group moved the monthly fellowship into Room 8.

Participants can bring a brunch item to share; of course, there's always enough food to go around! Even if everyone doesn't have a chance to bring a dish that day.

The fellowship blossomed with the addition of a devotion about the names of God which comes with coloring pages for those who want to be creative. Conversation prompts often relate to the devotion topic like the day participants learned why others were given their first name or how they chose their children's names.

Often, prayer requests are given, and participants have been seen taking notes on the back of the coloring sheets to take home and pray over for the next month.

With a high attendance of over twenty and the least about 6, this group will continue to meet monthly in delightful and delicious joy! Can you believe 14 women came out in January when it was FREEZING out?

One reason for meeting at the church is so children can play in the Sunday School room or gym if there's no one available to watch them at home.

All women are invited to attend. Members, friends, family, neighbors. No need to RSVP. Every second Saturday of the month starting at 9:30 am. Watch announcements for any changes. Contact Mary or Jennifer with questions or comments.

OPERATION CHRISTMAS CHILD: MAKING DISCIPLES IN MONGOLIA

by Mike and Ellen Kehe, with excerpts from www.samaritanspurse.org

A NEW GENERATION IS COMING TO FAITH IN JESUS CHRIST THROUGH OPERATION CHRISTMAS CHILD AND ITS FOLLOW-UP PROGRAM, THE GREATEST JOURNEY.

Light, sky, land, and water appeared out of nothing. Next came vegetation, animals, and mankind. God called forth all these things simply by speaking, "Let there be..." (Genesis 1). While the story of creation may sound familiar, it is an entirely new concept for many boys and girls in Mongolia.

"The first lesson is always exciting for me to teach, because it is a very different idea that the world was created by God," said Buyankhishig, a church leader. "Mongolia was a communist country, and Darwin's theory was taught—that our origin is from a monkey."

Munkhbold, 11, and Enkhriilen, 9, were among the children who received Christ into their lives during The Greatest Journey course at Living Stone Church. They each independently noted on their graduation day that Genesis 1:27 was their favorite of all the memory verses in the course

The Greatest Journey discipleship program has its beginning in the evangelistic outreaches where Operation Christmas Child shoebox gifts are distributed.

"Every year, our church gets between 50 and 100 shoeboxes, which means we have the opportunity to reach 50 to 100 children and their families," Buyankhishig said. "Shoeboxes actually help open people's hearts."

This is the simple beauty of God's Plan through the OCC Shoebox Ministry. We have been collecting various items throughout the year, and all are welcome to join in on the PACKING DAY, Sunday, November 3 at Noon. Lunch will be provided. Come join us for this exciting packing event! Look at www.samaritanspurse.org for more stories like the one above! From now until the November packing day we will continue to collect items, with an emphasis on School Supplies (crayons, markers, pencils and sharpeners, tape, scissors, small notebooks), and small clothing items (flip flops, undergarments, socks, t-shirts, shorts, etc.). Remember to mark Sunday, November 3 on your calendar! 🙌🙌🙌

FOLDS OF THE FLAG

by Pastor Ellory Glenn

If you've ever attended a military funeral or seen one on TV, the flag folding is one of the more impressive parts of the ceremony. As with all things in the military, the flag is handled with utmost precision and discipline. We have a precise method of reason and how we fold the flag

before presenting it to whomever the next of kin is. The flag handlers for the flag are half twice along its length, and then, beginning at the end away from the blue field, fold the flag in triangles until the flag is formed into a triangle "0" with the field showing on the outside. Traditional flag folding dictates a total of 13 folds for an American flag, regardless of the size. Over time, each of the folds has been given a meaning.

The 13 folds mean this:

1. Symbolizes life and its importance.
2. Signifies our belief in eternal life.
3. Honor and tribute to the veteran departing our ranks in defending their country.
4. Symbolizes our weaker nature and reminds us that we are citizens trusting and searching for guidance in war and peace.
5. An acknowledgment in tribute to our country.
6. In honor of where our hearts lie as we pledge allegiance to the flag.
7. Tribute to the Armed Forces to protect our country.
8. Tribute to the one who entered the valley of the shadow of death and an honor to mothers for whom the flag flies on Mother's Day.

PUFFINS AND THE GOOD AND PERFECT GIFT

by Barbara Lane Geistfeld, D.V.M.

God made puffins to make us laugh.

“Do not be deceived, my beloved brothers. Every good gift and every perfect gift is from above, coming down from the Father of lights, with whom there is no variation or shadow due to change” (James 1: 16-17).

God has truly blessed me with many “good and perfect” gifts in my 70 plus years of life. I could create a very long list that includes my faith, my family and friends, a job I loved, good health, and world travel ... endless perfect gifts! But as you might expect from the D.V.M. after my name, one of the things that tops any list is God’s incredibly beautiful and complex creation, especially the animals. The iridescent colors of the fish on a coral reef, a macaw’s brilliant feathers, a mustang stallion standing on a hill under purple storm clouds, a Horny Toad—aka the Texas Horned Lizard—all make my heart swell with awe and joy and gratitude toward my heavenly Father who has given it all to me to enjoy.

God has a purpose behind these gifts of nature, behind these gifts of life. They are not random afterthoughts of a hodge-podge creation. He wants all of us to see Him for Who He is by what He has done. There is none like Him! The incredible complexity of the human body is another of the many marvels that the world ignores in their pursuit of personal freedom and their own ideologies. God says to us in His creation, “Look at yourself! You are incredibly made. How can you doubt my presence?”

“For his invisible attributes, namely, his eternal power and divine nature, have been clearly perceived, ever since the creation of the world, in the things that have been made ...” (Romans 1:20).

So, the “things that have been made” include the Atlantic Puffin. It’s the beak, right? Without the beak

they are just another black and white bird. God made puffins to make us laugh. He made puffins to get us to take a second look at His creation. Pretty hard to ignore a puffin. He made puffins as a “good and perfect gift” to bring us pure joy. God desires us to look at all His creation with new eyes and to see the beauty He created for us because He is the Father of lights. He is unchanging in His love for us.

We desperately need our Father of lights. When life around us is dark and despairing, when troubles are real and overwhelming, when our hurts outweigh our joys, take a moment to think about God’s beautiful creation given for us as a “good and perfect gift.” Take a moment to remember that we have another Light in our world—our Lord Jesus Who is the Creator of all things and is the light of men.

“[The Word] was in the beginning with God. All things were made through him, and without him was not anything made that was made. In him was life, and the life was the light of men” (John 1:2-4).

We know that life will continue to throw bad things our way, so every so often, let us take a moment to admire God’s creation that surrounds us—and remember the puffin! †††

TWO WORDS THAT ARE NOT PART OF GOD'S VOCABULARY

by Rich Langefeld

The title probably caught your attention but I truly believe there are two words that God never uses. The fact that God never uses these two words is pure Gospel for us.

One word that God never uses is INSIGNIFICANT. Psalm 147:4 reminds us that God knows the number of the stars and even has names for each of the stars. The most distant stars are not insignificant to God. In Matthew 6:25-34, Jesus tells us not to be anxious. Jesus tells us that God feeds the birds of the air. Jesus goes on to tell us that God clothes the grass of the field. The birds of the air and the lilies of the field are not insignificant to God. The point is that each and every one of us is tremendously significant to God. In Matthew 10:29-31, Jesus tells us that no sparrow falls to the ground without God's knowledge. Even sparrows are not insignificant to God. The point of Jesus' words are how highly significant we are in God's sight.

Genesis tells us that God created all things out of nothing by His Word. There is only one exception to this. God created man by forming him from the dust of the ground. God then breathed life into man. God created mankind as the crown of His creation and placed us as stewards over His creation. We are to care for the earth and make wise use of the earth. Mankind is highly significant to God! That means that every human being is significant and special to God as an individual. Our age does not matter to God. Both young and old (and middle aged) are significant to God. Our talents and abilities are gifts that God has given to each of us. He has not created all of us to have exactly the same talents and abilities. No matter what your individual talents and abilities are, they are special and significant to God. Our sex does not matter to God. God treasures both men and women tremendously. Our place of origin does not matter to God. All individuals from every place and every culture are special to God. God treasures each individual human being no matter what our financial standing and possessions. We are all highly significant to God and we always have been and we always will be.

How significant is each individual human being? God the Father sent His only Son, Jesus, to save each and every one of us. God wants each one of us in heaven with Him for all eternity. I would venture that makes us very significant, each and every one of us. Nothing we can do would make us significant to God. His tremendous love makes us significant. God the Holy Spirit is active in our lives daily. He guides us as we

learn the Scriptures. He plants faith in our heart and grows that faith. He places good deeds before us to do. Ephesians 2:10 tells us that we are His workmanship, created for good works which God prepared beforehand. Many times, we fail to do the good works that God has designed for us and we simply ask for His forgiveness and guidance. Always remember that we are so significant to God that He chose to dwell within us!

A second word that God never uses is SURPRISED. Absolutely nothing can surprise God. God knows all things and has known all things for all eternity. Psalm 139 is full of references to God's eternal knowledge of every tiny detail in our lives. Verse 2 tells us that God knows when we sit down and when we rise up. He knows all of our thoughts. Verse 4 tells us that God knows our words even before we say them. God knows all about each and every one of us. Verses 13-16 reminds us that God knit us together in our mother's womb (well before anyone else knew anything about us). Jeremiah 1:5 teaches that God knew us before He formed us in the womb. He had plans for us before we were born. God knows our every heartbeat and every breath. He has known each of them from before creation! That is an amazing concept. God knows each of our thoughts, all of our words, and each of our actions. He has known each of these for all time! And yet, knowing our evil thoughts, words, and actions did not cause Him to abandon us. Jesus knew before creation that mankind would fall into sin and continue to sin. He still created each and every one of us. He always knew that it would cost him a lifetime of humiliation, suffering, and pain. He knew from before eternity that Judas would betray Him. He knew from before eternity that Peter would deny Him. He knew that He would be beaten, mocked and crucified. Absolutely none of this was a surprise to Jesus. Jesus knew all of this before creation. 2 Timothy 1:9 states that God's plan of salvation was set before the ages began. The tremendous love that Jesus has for God the Father and His tremendous love for us caused Him to follow through on the plan for our salvation. Absolutely no surprises at all!

All of this is pure Gospel for us! We are tremendously significant to God, no matter what anyone else thinks or says. Nothing that happens to us can surprise God. He knows every second of our life and makes all things work for our eternal good. Take comfort that God does not use the words INSIGNIFICANT or SURPRISED! +++

Ways you can help us continue this ministry:

- Do you have Thrivent? You can apply for a \$250.00 Thrivent Action Grant by calling Thrivent Action Teams at 800-847-4836 or call Tim Gerler's office and speak to Tonya for help at 636-493-9220. You may apply for 2 cards a year and you will need to help with whatever charity the money is for.
- Do you know any businesses or organizations that would be interested in holding a food drive? You can continue to place non-perishable food items like cereal, canned meats, canned fruits and vegetables, soups, cake mixes, box potatoes, pastas and sauces in the shopping cart at church or make a monetary donation to church specifying the Food Pantry.
- We are also looking for volunteers. If your junior or senior high school students need service hours, we will gladly write them a letter for their hours worked. We can also use adult volunteers. Come every week or once a month as every little bit helps!

If you have any questions or would like a tour, contact Diane Timm or one of the other food pantry volunteers. Thank you, Chapel of the Cross, for your continued support with helping us continue to feed our neighbors in need! 🙏🙏🙏

(continued from page 5)

9. In honor of womanhood and their character that helped make this country great.

10. Is a tribute to fathers who sacrificed their children for our country.

11. Represents the lower portion of the seal.

12. Represents the emblem of eternity.

13. The completely-folded flag with the stars exposed reminds us of our national motto, "In God We Trust."

The 13-fold procedure was standard long before meanings were assigned to each fold. In modern times, meanings have been assigned to each flag's fold. The source and date of the origin of these meanings remain a mystery, adding a layer of intrigue to the ceremony. The next time you see a flag folded, understanding the meanings of the folds can add a decisive touch to patriotic ceremonies. 🙏🙏🙏
