

CHATHAM KIDS CAMPUS COORDINATOR

Our mission as a church is to “lead all people to become authentic followers of Jesus who engage our world for good.” Our ministry to children is one of the most significant ways we pursue this mission, as we go about “connecting kids to God and to each other.” A lifetime following Jesus can begin in our classrooms.

In Chatham Kids, we're passionate about helping children know and love Jesus. As such, we strive to create environments that are relevant, engaging, safe, and secure. In each of our classrooms, trained and energetic volunteers offer children a dynamic children's ministry experience.

We envision the Chatham Kids Campus Coordinator facilitating and shepherding these environments where we help children know and love Jesus. The Coordinator will be responsible for overseeing Sunday morning ministries to children newborn through fifth grade at one of our two campuses. We are creating this position to be largely one of team building and collaboration with Chatham Kids volunteers and the ministry team as a whole.

Love for children is, of course, a requirement, and the Coordinator may be in the classroom with kids occasionally. But the ability to recruit, train, coordinate, coach, and develop adult volunteers is important as well as a desire to develop and maintain relationships. We're looking for a spiritually-mature team-player.
