"THE GENTILES' NEED FOR JESUS, PART 3"

ROMANS 1:26-27

CAMERON BARHAM

Key Truth: God's merciful judgment further gives us over to dishonorable passions that deform His image in us as a result of our suppression of His truth.

Introduction:

Q: *Where have you seen sin crown you or others with honor and glory?*

Romans 1:26-27: Dishonorable Passions: The Bodily Display of Who and Whose We Are:

"The things that should give the deepest contact of personality with personality on the human level are destroyed. We have lost contact with the primary reference point, a personal God. When we do this, the next level of contact, of human personality, which should be so beautiful and so wonderful, is also turned into something unwholesome. Man and woman, standing in the presence of God, should be able to relate, personality with personality, in a deep way. But because of mankind's rebellion, that relationship has become a commodity to be traded upon."

Francis A. Schaeffer, *The Finished Work of Christ: The Truth of Romans 1-8*

Q: *What should the deformation of God's image in you and your life through dishonorable passions result in?*

Application:

Romans 1:26-27 teaches us that:

-God's merciful judgment further gives us over to dishonorable passions that deform His image in us as a result of our suppression of His truth

Benediction: *Romans 5:1-5*
