"THE JEWS' NEED FOR JESUS, PART 3"

ROMANS 2:12-16

CAMERON BARHAM

Key Truth: God's image is displayed in us according to His law as revealed by Christ Jesus.

Introduction:

Q: *What comes to mind when you hear the phrase "God's law"? What has most shaped your view of and reaction to the phrase "God's law"?*

Romans 2:12-16: God's Law: The Display of God's Image as Revealed by Christ Jesus:

"The law was never intended to be a means of earning salvation. Rather, God gave it to guide Israel in living in a way that would please their Redeemer. Far from setting aside the promise of grace, the law was given to those who had been saved by grace in order to show them how to live in that grace. Thus Sinai does not bring fresh bondage but rather proof that the old bondage has been broken. In fact, we can speak of the law as a further act of grace, a gift to God's people that serves his covenantal and gracious purposes. Thus the call of the law is to translate God's grace into action."

Michael D. Williams, *Far as the Curse is Found: The Covenant Story of Redemption*

Q: *What role does God's law play in our salvation? What makes Jesus the true plumb line of our relationship to God?*

Application:

Romans 2:12-16 teaches us that:

-God's image is displayed in us according to His law as revealed by Christ Jesus

Communion

Benediction: Romans 5:1-5
