

*Short-term mission
with long term vision!*

FAIRMONT, West Virginia - 2021

Purpose: Fairmont is an exciting and rewarding outreach ministry, designed to equip those with no missions experience or to challenge those who have done it for years (we have multiple teams who have returned 15+ years). It is well suited for high school & middle school groups, college students, families with children and all adult teams as well. The work is set in and around Fairmont, which is in the heart of West Virginia's "coal country". This is a unique culture that will inspire and reward everyone open to investing in it. Teams will partner with a new PCA church plant, Dayspring Community Church, as they serve together in both Word and deed! Homes are repaired, handicap decks and ramps are built and children's lives are encouraged through Vacation Bible School (VBS) and Back Yard Bible Clubs. Relationship building is the key to positive ministry growth. It's through these relationships that doors open for sharing the Gospel. Team building and individual Christian growth are natural consequences of serving together in Kingdom building!

Additional ministry opportunities: In addition to VBS/Backyard Bible clubs; sports camps, tutoring, one-on-one evangelism, working with the elderly and serving in the kitchen at camp, *there is a ministry for everyone!* Unique ministry equipping and team building occur as the Gospel is lived out in practical ways.

Age/Level of experience: All ages and stages are welcome! We encourage mixed adult/youth teams and families. The broader the range of skills and abilities the greater the ministry flexibility the team can have. Younger children are welcome, but parents and the team are responsible for their care and supervision. This project is excellent for a first-time mission experience, but also provides unique servant heart development for more experienced mission teams (over 70% of our teams have returned multiple years).

Stories from Fairmont Teams:

"On Sunday as we pulled into the church parking lot (a Fairmont church where we have held VBS for 7 years now) three little boys came riding down the street on their bikes, saw our license plates, and immediately turned around and pedaled back up the hill, yelling, "Connecticut's here! Connecticut's here!" These kids have so very few opportunities to experience faithfulness in their lives that the smallest thing, like us coming back every July, is disproportionately important. What we do at VBS in Fairmont really matters. And doing it year after year after year really matters even more."

"One of our home-owners, for whom we've worked twice before, said at the end of the week: "After all these years, I still can't get over the fact that you come all this way just to be with us." Notice that she didn't say, "To work on our houses..." or "To tell us stuff." She recognized that it is all about "being with". She recognized that it is all about Emmanuel--God with us. She recognized that we come because He came, and He still comes, with & through us."

"I praise God that He brought our team to Fairmont again this year. I praise Him that He gives me these small doses of Heavenly glory so that I can remember someday my gaze will be focused on Him without doubts, fears or distraction. I yearn for that day when we shall all see His face and somehow truly see each other as He sees us. I praise God He has given me the rich experience of Fairmont and the pleasure of serving and working for His glory this Summer. I hope and pray He'll get me there again next year."
