# DECORATION IDEAS

**Every party needs some decorations! Here is a list of ideas for decorating your home for Treat Street!**

**Supplies Needed:** *plastic tablecloths (orange, purple, and black), streamers (orange, purple, and black), balloons (orange, purple, and black), orange lights*

## **Table Decor**

Use plastic tablecloths to cover tables you plan to use for food.

## **Streamers**

Cut streamers in different size lengths and hang from inside a doorway.

Twist 2 color streamers together and tape at both ends so it will hold the twist.

Line tables, ceilings, or walls with streamers.

## **Balloons**

Use orange, purple, and black balloons to decorate your house. If you want helium balloons, you can purchase a small helium tank at Walmart. Tie the helium-filled balloons onto a string and hang around your home. You can also make pumpkin face balloons. Draw pumpkin faces onto the orange balloons using a black Sharpie marker.

## **Orange Lights**

String orange lights from the ceiling or use outside. You can find these at Walmart or any party store.

## **Photo Booth**

Use plastic tablecloths as a backdrop for a photo booth. One way to do this is to use a piece of string and a stapler. Fold a small portion of one end of the tablecloth over the string and staple it. Continue doing this for all the tablecloths you want to use. As you go, you can bunch up each tablecloth. Then hang the string with tablecloths in your home or outside. If you like, you can add orange or white lights behind the tablecloths. Then add in your favorite props for the photo!

## Read Psalm 119:105

What's one important piece of equipment you need at night when you go camping?

A flashlight!

When I go camping, I always make sure to bring a flashlight. Actually, I bring several flashlights because I like to make our campsite light up! I am not a fan of the dark and I like to be able to see when it's dark outside. If I have to walk around my campsite or go to the bathroom, I need a flashlight so I don't trip over anything (or step on anything that might be moving in the dark...like a bug or a frog!). Flashlights are so helpful to us when it's dark.

Did you know that the Bible is a light for us? Did you know that what God says in the Bible acts like a light to guide us in our lives?

In our Bible verse today from Psalm 119:105 it says, "*Your word is a lamp for my feet; a light on my path.*" This means that the Bible lights our way and helps us to know how to be a Christian (a follower of Jesus). It helps us know how to act and what to say. It helps us know who God is, who Jesus is, and who the Holy Spirit is. It teaches us about some amazing people and how they trusted God and followed Him. It helps light our path in life so we can see which way to go and know what to do. If we don't know God or read His Word, it's like living in darkness...we don't know where to go or what to do. When we know God, know Jesus, and know what the Bible says, we live in the light.

So your challenge is to read your Bible every day. Take a book of the Bible and read a chapter or a few verses. Just read and learn what the Bible says. Reading the Bible together as a family is great, too! You can discuss a story or a verse and learn more. You can grow in your faith together as a family. And when you read God's Word, you will be able to see because it will light your path and show you what to do and which way to go!

*Heavenly Father, thank You for giving us the Bible. Thank You for helping us know more about You. Help me to read the Bible more so I can draw closer to You. In Jesus' name, Amen.*

LAMP FOR MY FEET; A  
LIGHT ON MY PATH."**

## Candy Corn Catch

***Supplies Needed:*** bag of candy corn, pumpkin bucket (1/team....the ones used for trick-or-treating)

For this game, divide your family into pairs. If you have an odd number then take turns. For each pair, have one person tie the pumpkin bucket around their waist and the other person toss the candy corn into the bucket.

Give each team the same amount of candy corn in a bowl.

Designate a throw line for each team. The person throwing candy corn stands behind that line. Then have the bucket person stand about 5-10 feet away from that line.

At the start of someone saying "Go!", have each team begin tossing and catching the candy corn into the pumpkin bucket. When they have thrown all the candy corn out of their bowl, have each team count the number of candy corns that landed inside the bucket. The one with the most inside the bucket, wins! Play again, but this time switch roles with your teammate.

Have fun playing Candy Corn Catch!

## Cheese Head

**Supplies Needed:** Cheese Puffs, shaving cream, shower cap, garbage bags

For this game you will need one person be the Cheese Head and another person to be the one to throw the Cheese Puffs.

For the Cheese Head, have them sit on the floor or in a chair. Have them wear a garbage bag, and also line the floor with a garbage bag (makes for easier clean-up). Place a shower cap on their head. Cover the shower cap with shaving cream.

Designate a line for the person throwing Cheese Puffs to stand behind. Have them begin throwing Cheese Puffs, trying to get them to land on the head of the Cheese Head. See how many Cheese Puffs you can get on the Cheese Head!

Switch out and let each family member have a turn at being the Cheese Head.

## Halloween Bible Bingo

**Supplies Needed:** *Halloween Bible Bingo cards, Bingo calling cards, candy corn, Bible, prizes*

*Before the game begins, gather prizes for the Bingo winners. You can have one big prize for the first winner and several smaller prizes for the other winners. Ideas for prizes could include a gift card, candy, small toys, coupon for a week with no chores, coupon for a free meal of their choice at their favorite restaurant, or small trinkets from the Dollar store.*

Cut apart the Bingo calling cards and place in a bowl. Pass out the Halloween Bible Bingo cards to each member of your family. Use the candy corn as Bingo markers.

Designate one family member to be the one to draw out a Bingo calling card. When they call out each one, place a candy corn in the square if you have a match. Each Halloween Bible Bingo card has a Bible verse that goes along with it. When the person calls out one of the items, take a few moments to open your Bible, read the Scripture verse together and discuss it.

A person can Bingo if they get 5 in a row (horizontally, vertically, or diagonally). Continue calling until all players have Bingoed! Pass out prizes to all winners.

After you have written each prayer on the 8 pieces of orange construction paper, lay them in a circle and staple them together at the bottom (make sure to staple them so that your prayers face outward). Next, bring them together at the top and staple there (the pumpkin will be rounded).

Cut out 2 thin long strips of green construction paper. Also cut out 2 small leaves. Roll the long strips around a pencil so they will curl up. Then staple the 2 strips and the 2 leaves onto the top of the pumpkin.
