Inductive Bible Study Method:

- **Observe** - *Look* at what God's Word is saying.
- **Interpret** - *Learn* what God's Word is teaching.
- **Apply** - *Live* what God's Word is commanding.

"Remember that it is not hasty reading, but serious meditation on holy and heavenly truths, that makes them prove sweet and profitable to the soul. It is not the mere touching of the flower by the bee that gathers honey, but her abiding for a time on the flower that draws out the sweet. It is not he that reads most, but he that meditates most, that will prove to be the choicest, sweetest, wisest and strongest Christian."
