All of us think about the end times. When we reflect on what will happen not only when we die but when this present age ends, some combination of ideas, images, hopes, and fears floods our minds.

In **The Future of Everything**, William Boekestein encourages us to allow our thoughts on the end times to be guided by God's Word. While combing the Scriptures to find direction related to subjects like death, the millennial kingdom, the return of Christ, the resurrection, judgment, heaven, and hell, Boekestein helps us cultivate a vision for the future that impacts our walk before God's face today.
