

The Words of the Good Nomad

"I am the good shepherd. The good shepherd lays down his life for the sheep."

~ John 10:11 ~

For the Lamb in the midst of the throne will be their shepherd, and he will guide them to springs of living water, and God will wipe away every tear from their eyes.

~ Revelation 7:17 ~

"If anyone thirsts, let him come to me and drink."

~ John 7:37 ~

"And this gospel of the kingdom will be proclaimed throughout the whole world as a testimony to all nations and then the end will come."

~ Matthew 24:14 ~

May desert tribes bow down before him...

~ Psalm 72:9 ~

About the Team

- The SAND Team -
(Sahel Arab Nomad Disciple-makers)

❖ Our Vision:

We want to facilitate a movement of reproducing nomadic churches among the Arab nomads of the Sahel (the Sahara's southern edge).

❖ Ministry Strategy

Initially we will focus on studying language and culture while building relationships in an Arabic-speaking neighborhood. Eventually we hope to learn and model what disciple-making looks like in the nomadic lifestyle.

❖ Some of our values...

- A strong church-planting focus
- Long-term commitment
- Biblical ministry principles
- Life-on-life discipleship

Meet the Team

Andrew Day

Our team leader Andrew has one passion – to take the gospel where it has not been preached. A Moody grad, Andrew studied church-planting.

Joshua Douglass

Joshua is a Texas A&M grad, where he studied economics. His passion is to establish biblically sound churches among the unreached.

Evan & Natalie Wilson

Evan and Natalie are Texas A&M grads, now studying language in France. Like Paul in Romans 15:20, they want to see the Gospel spread to Arab nomads!

Jacob Starnes

Jacob is a Texas Tech grad, where he studied Civil Engineering. Jacob's life purpose is to proclaim the Gospel of the Kingdom of God.

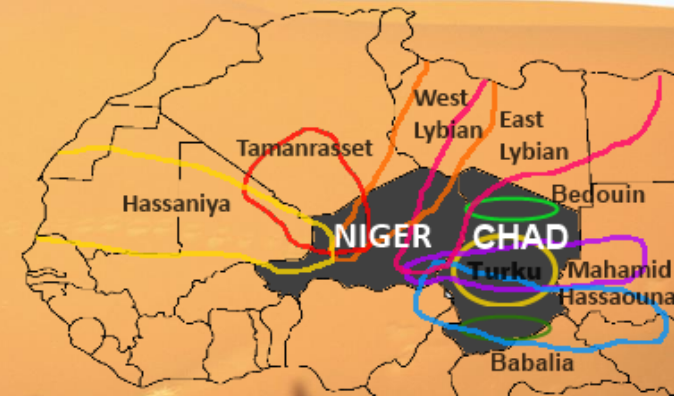

Noah & Esther Bendele

Noah and Esther are Moody grads, whose desire is to see God do the impossible and to inspire others to seek first His Kingdom.

The Nomads

Traversing the deserts and towns of Niger and Chad are numerous Arab nomad tribes among whom there are no churches.

STRATEGIC: In their wanderings the Arab nomad tribes converge, but their territory and influence span the vast Sahara.

Some of these tribes include...

- ❖ Hassaniya ❖ Tamanrasset ❖ Moharriba
- ❖ Ulad Silman ❖ Baggara ❖ Bedouin
- ❖ Babalia ❖ Turku
