Study

CONTENT

An invaluable resource available to us is something called **The Bible Project**. If you have not heard about it, I encourage you to look it up. It was started by 2 guys with a vision to provide free content (videos, podcasts, articles, etc...) to anyone who would be interested. We have talked about introducing one of the video series as the basis of our Study this semester. Owen was gripped by **The Character of God** 6-part series.

This series walks us through valuable lessons learned about God's character from the book of Exodus. Being made in His image, and founded as believers in a Union with Him greater than we can understand, it is incredibly practical to know how God's character can influence ours. As our students are entering into and engaging deeply with their Identity and place in this world, we hope that we can guide them towards a desired pursuit of God's character in their development and continued journey of growing closer to Christ.

To Be Determined

Romans 12:2

"Do not be conformed to this world, but be transformed by the renewal of your mind, that by testing you may discern what is the will of God, what is good and acceptable and perfect."
