

COLONIAL MISSION PRAYER GUIDE

April 2024

TAKING THE GOOD NEWS OF GRACE IN JESUS

But I do not account my life of any value nor as precious to myself, if only I may finish my course and the ministry that I received from the Lord Jesus, to testify to the gospel of the grace of God.

– Acts 20:24

FROM OUR NEIGHBORHOODS TO THE NATIONS

But you will receive power when the Holy Spirit has come upon you, and you will be my witnesses in Jerusalem and in all Judea and Samaria, and to the end of the earth.”

– Acts 1:8

BY THE POWER OF GOD

For Christ did not send me to baptize but to preach the gospel, and not with words of eloquent wisdom, lest the cross of Christ be emptied of its power. For the word of the cross is folly to those who are perishing, but to us who are being saved it is the power of God.

– 1 Corinthians 1:17-18

David & Eunjoo ANDERSEN

Chesterfield, VA

Ministry overview

The Andersens give the gospel to our government leaders (and the VA Capitol Police) primarily in the Virginia capitol, but also in the DC capitol. They minister the Word of God to our government leaders through weekly, expositional Bible studies in the first half of the year. In the second half of the year, they are usually in a different church each weekend, seeking to strengthen the saints in prayer for our leaders to encourage believers toward obedience to 1Tim. 2:1-4.

Ministry Requests:

- That the Lord will graciously draw our leaders unto Himself
- For the Lord to encourage church leaders to remember our leaders in their public prayers
- For the Lord to grant favor and open doors at the next pastors' conference
- That the Lord will bless our new book, including special wisdom for the Korean & Spanish editing process, and that it will be well accepted by pastors & church leaders.
- For the Lord to grant us safety in our many travels.

Paul & Abbey CAMPBELL

Logan, UT

Ministry overview

In the Lord's good providence, the Campbells have planted a church in Logan, UT called Gospel Peace Church. In their valley of about 150,000 people, most are of the Mormon religion with less than 1% evangelical Christian, so they have many opportunities for the spread of the gospel. Praise God that He is building His church here in Utah!

Ministry Requests:

- Pray with us as we look for a more permanent location for our church gatherings since we are growing out of our rental location.
- Pray for the unity of our church.
- Pray for our college ministry as we have had significant opportunities on the campus of Utah State University.

Personal Requests:

- Pray for our evangelism efforts with our neighbors.
- Pray for the schooling of our children at home.
- Pray that we will have sweet times of rest in the midst of the busyness of church planting.

Michael & Julie CARLYLE

Grand Rapids, MI

Ministry overview

Michael and Julie work at a Bible translation society, but their work is not focused directly on Bible translation but rather serving the local churches associated with BI's projects around the world. Michael manages the Scripture Engagement Department, which exists to equip national saints to edify their own churches through the translated word of God. This includes training nationals to read, interpret, and apply Scripture, training national leaders, and working with churches to improve the usability of their Bible translations.

Ministry Requests:

- Praise – We have our first opportunity to mentor an intern, Grant Hague, in the Scripture Engagement department! Pray that he will have an effective and profitable internship this coming summer.
- Please pray that God will bless our efforts to promote Bibles International's Scripture Engagement Department and recruit new coworkers. Pray for Michael as he travels to seminaries and Bible colleges to recruit new missionaries to serve in Bible translation and Scripture engagement.
- Pray for wisdom and grace for Michael and a co-worker Scott Williquette as they travel to Chad in April - that the Lord will direct their steps as they work with national leaders to develop plans to train pastors across Chad. Pray for strength for them as they will be in Chad during the hottest time of the year (105-115°) and will endure grueling travel conditions.

Personal Requests:

- Please pray for wisdom as we balance the responsibilities of life, including caring for Julie's elderly parents and navigating Michael's packed schedule and frequent travels.

Crisis Pregnancy Center: Tidewater (Keim Centers)

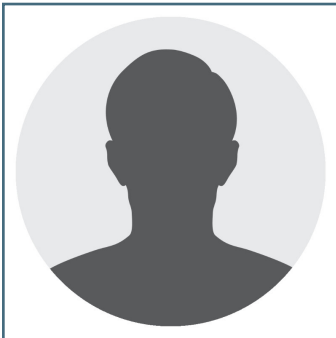

Ministry overview

The Crisis Pregnancy Centers of Tidewater, known to the community as The Keim Centers, has been established since 1985. In the past decade the Keim Centers have served over 17,600+ women in our community by providing counseling, education, and medical services such as pregnancy testing and ultrasounds to women who find themselves with an unplanned pregnancy. They specialize in offering comprehensive pre-abortion consultations so that women can make a confident, fully informed decision while encouraging their patients to choose life for their unborn child.

Ministry Requests:

- Pray for our new Medical Clinic in Portsmouth, that God will help us reach more women in Portsmouth, Western Branch, and Harbor View and that these women will choose LIFE!
- Pray for our new Parenting Support Center, that God will expand the reach our parenting class programs, and that our shelves will stay full of baby supplies so that we can be a blessing to the families that go through that program. Also, please pray for the parenting classes themselves. This is the #1 place we get to share the gospel with our patients.
- Please pray for the men and women who courageously walk through our Abortion Recovery Classes. These individuals carry the weight of their past decisions, and our hope is for their lives to be profoundly transformed. Through the power of God's Word and the Holy Spirit, pray that they experience the boundless grace and mercy of Jesus Christ, finding freedom from the heavy burden of guilt and shame. Additionally, we ask you to pray for the leaders of these groups that the Lord's wisdom and grace would flow through them abundantly.

CBC Mission: Great Expectations Team

Ministry overview

Great Expectations is an incentive based program of parenting classes where participants earn Baby Bucks during the classes and then redeem those points for practical support in the form of strollers, diapers, cribs, clothing, etc. This material support is significant to these moms and families as they begin this new journey. Great Expectations provides fertile soil for the gospel of Jesus Christ. Through CPC's Great Expectations classes many participants make commitments to Christ and others are open to hearing the gospel, however there is a critical need for the local churches to come to them to continue the discipleship process. Nick & Jenny Williamson lead a team from Colonial that facilitates the Great Expectation classes and build relationships with the participants both in and outside of the classes.

Ministry Requests:

- Pray that God will use the relationships that were built through the Great Expectations class to open doors to the gospel.
- Pray for the team as they continue to cultivate these relationships that the Lord will give them opportunities to speak into the lives of those they were able to minister to throughout the year.

Daniel & Martha DAVEY – Virginia Beach Theological Seminary

Ministry overview

Through God's grace, Virginia Beach Theological Seminary has been "Sharpening Servants for Global Ministry" for twenty-seven years. It is a supreme joy to prepare future pastors, missionaries, and local church leaders in the disciplines of Scripture, such as the original languages, systematic and pastoral theology, and expositions of biblical books. Our mission is to encourage our graduates to either plant or shape local churches after the model of NT grace.

Ministry Requests:

- Please pray that God will grant the Board of Trustees the wisdom to oversee this ministry.
- Please pray that God will empower our professors and staff to be able to effectively minister to our student body.
- Please pray that God will encourage our students as they study, work to provide for their families, and minister in their local church. With such responsibility, it can be difficult to balance all three requirements of life at one time.

Personal Requests:

- Our personal request is simple but has profound significance: May God shape Martha and me to be usable servants for his glory and pure models of His word.

Roger & Susann DePRIEST Virginia Beach, VA

Ministry overview

At Grace Biblical Counseling, God has blessed us with the privilege of coming alongside hurting individuals and troubled marriages to offer them biblical counseling to help them grow in God's grace—and in some cases, to introduce them to God's saving grace in Christ Jesus.

Ministry Requests:

- Pray for the various opportunities Roger has to preach in local churches, speak at a marriage conference, and teach counseling classes and fundamentals training in the upcoming April, May, June, Oct-Nov, Jan-Mar.
- Pray for several couples at a crisis point in their respective marriages; pray for wisdom and spiritual breakthroughs.
- Pray for a Jewish man I led to Christ several months ago. He is on fire and can't get enough of Scripture. As a result of his newfound faith, however, his wife has now pulled away, unhappy with her husband's new direction.
- Pray for a young couple experiencing parenting issues, which has, in turn, created some marriage issues as well.
- The past couple of years, but especially the last several months, God has really blessed our ministry, but with that comes some unique challenges. One of those challenges is finding enough time to meet all the demands. Please pray as we consider various options as to how to address the need that such a blessing brings.

Personal Requests:

- Roger has a burden for my 91-year old mom who is in a group home in Indiana. She has dementia and her health is generally failing. Susann and I are hoping to see her again this summer, Lord willing.

Glenn & Marci MONGOLD

Norfolk, VA

Ministry overview

There are over 1.5 million MERCHANT seafarers on this globe. The Lord has gloriously opened the door to reach a portion of this floating mission field from right here in our own backyard of Hampton Roads. Glenn is allowed to minister to the physical and spiritual needs of these men (and sometimes women) by helping them with their shopping needs, etc. Bibles and scripture portions are given to the men in their heart language, often along with preaching services held on their vessels.

Ministry Requests:

- Pray for continued open doors to the ports. It's not uncommon for there to be hiccups in the road when a port's leadership changes. So far we have always been able to work through these issues, but we do see more hardness to the gospel witness in a few of the ports.
- Keep praying that we will be sensitive and completely usable servants for our Savior. Lately, we have had a lot more "repeat" visits in at least one port. This is a wonderful opportunity to build on previous visits and conversations. I feel blessed that they often contact me even before arriving in port.
- Pray for wisdom, clarity and focus for us as we often are fielding multiple phone calls from multiple ships.

Personal Requests:

- As we get older, it is so easy to do things by rote! Please pray that we will have fresh times with our Savior every day and that the freshness will be evident in our witness to these international seafarers.
- We know the Lord teaches us much through trials and sufferings. For some time our heaviest burden is to see all of our 10 children loving the Lord with all their heart, soul, and strength. We are always humbled when anyone offers up this request to the Lord on our behalf.

Brody & Liz OLSON

Colorado City, AZ and
Hilldale, UT

Ministry overview

Brody and Liz live in a community formerly controlled by the largest polygamous offshoot of the Mormon church called the FLDS. As a result of extreme turmoil in the last 10 years their community is now made up of former members of this church. They planted the first Christian church ever in this community and founded a Christian thrift store and youth center as a way of introducing former FLDS people to Jesus and discipling them in their new walk with Christ.

Ministry Requests:

- Praise – we continue to see people come to Christ and then make their decision public by being baptized!
- Praise – we have hired a youth center director! Josh and Sydney Smith will be joining our ministry team this summer. Pray that God would continue to work to get them out here in a timely manner and with the support they need to work full-time in the ministry.
- We are continuing to move forward with our ministry facility. God has been graciously providing for our needs, and we have enough funds to finish the exterior of the building. Pray that we will be able to open the new building by late October.
- One of the lay pastors of our church is also the mayor of the city. Please pray for boldness for him and the rest of the leadership to boldly proclaim Christ to our community.

Personal Requests:

- Please pray for wisdom regarding school for our children.

- Pray for wisdom for Jon as he leads the local church.

Personal Requests:

- Pray for strength for Sarah as she runs a small Kindergarten and 1st grade.
- Please pray for our four children as they are in the stage of finishing college (for some) or entering college (for others), that the Lord would give them wisdom and direct them into a life of ministry out of love for Christ.

Union Mission (John & Melissa GRAY)

Norfolk, VA

Ministry overview

1. The Union Mission is Southeastern Virginia's largest and most respected homeless shelter and recovery program. For 130 years, our Christian ministry has compassionately served men, women, and children without a home and with nowhere else to turn. Thanks to the generosity of our community, we are able to help our guests in need with safe emergency shelter, wholesome meals, clothing, physical and mental wellness care, job- and life-skills training, relationship counseling, and caring Christian case management.

Sharing the love of God and the good news of the Gospel of Jesus Christ is the heart of our ministry. Though our methods are effective for the 21st century, we have held true to our 1892 mission: To aid the poor and needy; to reform the erring; to help those that are out of the way; to feed the hungry; to shelter the homeless; to preach the Gospel; and to rescue the perishing.

The Union Mission Ministries also include the Union Mission Thrift Store, which helps benefit and support our shelters; Hope Haven, our rural Virginia Beach campus that operates a Christian children's home, an overnight summer camp, and related year-round ministries; and Reaching Romania, an outreach for orphans, widows, and poor citizens in the European Union's most poverty-ridden country.

Ministry Requests:

- Please pray for salvation to come to those we serve.
- Pray for our staff as they serve on the frontlines with some of the most challenging and vulnerable populations in our community.
- Please pray for the staff we need to be able to reopen our Women and Children's Shelter.

Personal Requests:

- Please pray for me that I might represent the Lord and The Union Mission in humility and integrity, that my testimony and conduct would be above reproach, and that I would make discerning and Christ-honoring decisions.

Tony & Lana VINOKUROFF

Slavic ministry in
Hampton Roads

Ministry overview

The Vinokuroffs recently returned to the United States after 12 years of ministry in Kazan, Russia. God has opened the door for them to reach out to some 20,000 Slavic speaking immigrants in Hampton Roads by starting Bible studies across the area with the goal of starting a church in the future.

Ministry Requests:

- We continue to have Bible studies twice a week on Thursdays and Sundays. Pray that those attending will grow in their faith in God. Pray for Anya and Denis to receive Christ and for Elena, who has begun attending our Bible studies, that her husband would join us soon as well.
- Pray for people living in our area who do not know Christ, that God will give them a desire to hear and study the Bible. Pray also for those who are coming to Bible studies but have not yet accepted Christ as Savior.
- Pray for the sale of our home in Russia. This would be a great aid to us as we try to wrap up that chapter in our ministry and settle into ministry here.

Personal Requests:

- Pray for our health and strength as there have been a few issues of late.

ASIA & THE PACIFIC

Wesley DAVEY

Lahore, Pakistan

Ministry overview

Wesley teaches the New Testament at Forman Christian College. He is primarily responsible for teaching Greek and exegesis courses as part of a master's in biblical studies.

Ministry Requests:

- On 19 April, we had four students who submitted their master's theses in biblical studies! Please pray that the theses would be received well by the reviewers and that the students would be able to prepare well for their upcoming defenses.
- Please pray that God would open doors for our graduates to teach Bible and theology both in the academy and the church. Three graduates are currently pursuing PhD studies and we are asking that God would allow them to find schools eager to welcome them at the doctoral level.
- The Christian Studies faculty at Forman is burdened to expand our reach in Pakistan. Specifically, we are praying that God would allow us to establish our university as a center for biblical studies by strengthening our existing academic programs, developing our library holdings, starting a Biblical Research and Writing Center, and creating space on campus where biblical students and scholars can come and conduct their research. Please pray that, if it is the Lord's will, the two significant grant proposals we submitted in December would be accepted so we would be better situated to equip church leaders in our context.

Personal Requests:

- Please pray for my personal spiritual formation and public witness—personally, that through prayer, Scripture memorization, and meditation I would be brought into line with God's purposes for my life, and publicly, that I would be faithful and wise in how I speak about the Triune God both to those who confess him as King and to those who do not.
- As I transition out of my role as a hostel guardian, pray that I would be able to find and relocate to a new apartment on campus before the semester ends in June.

Needed : Missionary Care Advocates

Missionary Care Advocates help to provide prayer, communication, and care for a Colonial missionary by corresponding with them on the field throughout their time overseas and helping to ease their transition between home and the field by building and nurturing relationships and helping to meet practical needs when they are in our community. Missionary Care Advocates are called to come alongside the mission team at Colonial by being their representative to the church body. Missionary Care Advocates are a vital link in maintaining the relationship between Colonial and its missionaries both while they are on the field and back in the US. If you are interested in becoming a Missionary Care Advocate for one of our missionaries, contact Pastor Dan.
