WELCOME TO *Generations of Grace*

This curriculum has been designed to deepen your own study of God's word so that you might be able to properly understand and accurately teach each lesson. It's our prayer that this curriculum would be a blessing to your ministry and home as God uses it to edify your teachers, evangelize your children, and encourage your families.

Apply the Lesson

The *Craft Book* provides the resources that are designed to engage children after you have taught the lesson. The craft is meant to not only reinforce what is taught in Sunday school but is to be a visual reminder of the lesson in the home.

- **Crafts for Ages 3-5** – Illustrates the central truth of each lesson for young children.
- **Crafts for Ages 6-8** – Illustrates the story and truths of each lesson for children.

Additional Resources

Use these additional resources to help support your lessons and to knit together the church and the home, ensuring that what is taught on Sunday matches what is learned throughout the week.

- **Teacher Book**
- **Student Journal**
- **Coloring Book**
- **Family Devotional**
