Holy Scripture

1. *What do you think is the greatest hindrance the believability of the Bible as the Word of God?*

2. *How would you respond to Dawkin's claim below?*

To be fair, much of the Bible is not systematically evil but just plain weird, as you would expect of a chaotically cobbled-together anthology of disjointed documents, composed, revised, translated, distorted and 'improved' by hundreds of anonymous authors, editors and copyists, unknown to us and mostly unknown to each other, spanning nine centuries.
