

7 Round Table Discussion:
Creation, Science and Faith

1. Why do you think people see a conflict between science and faith?
2. What do you think is the point of the following quote?
"The gospel of Jesus Christ is the same for scientists as for anyone. Evolution is basically a red herring."

John Suppe, (Professor of Geology, Princeton)

3. How might the following excerpt from T. S. Elliot's, "Little Gidding," in Four Quartets explain the purpose of creation?

*With the drawing of this Love and the voice of this Calling
We shall not cease from exploration
And the end of all our exploring
Will be to arrive where we started
And know the place for the first time.
Through the unknown, remembered gate
When the last of earth left to discover
Is that which was the beginning:*
