## What We're Learning

### SUNDAY SCHOOL: THE MISSION BEGINS

The Holy Spirit—whom Jesus promised to send—was given to the disciples. Filled with the Spirit's power, the disciples shared the gospel and the early church grew rapidly. Through the church, the gospel goes beyond Jerusalem, Judea, and Samaria to the end of the earth. The leaders of the early church addressed issues by reminding everyone that Jesus is their ultimate leader and that they share the common mission given by him to take the gospel to the entire world.

### JR CHURCH CALL TO WORSHIP UNIT

The Call to Worship reminds us that God is the initiator, and we respond to his calling. This is the rhythm of worship. It is a beautiful privilege to gather as his people and, along with the heavenly hosts, praise the King of the Universe. The triune God, who is sovereign over all, is worthy of our worship.

### HYMN OF THE MONTH

April: *O Worship the King.*

May: *Holy Holy Holy*

### MEMORY VERSE

*Oh come, let us worship and bow down; let us kneel before the LORD our Maker! Psalm 95:6*
