

CTK Co-op

Co-op Mission: Our Co-op exists to glorify God by connecting like-minded Christian families to encourage, educate, and equip our children in a Christ-centered community.

Ages: 4+

★ There is flexibility (that's the beauty of homeschool), so if you think your 3 year old is ready, please enroll!

Childcare: While there will **not** be organized childcare provided, babies are welcome. Please bring your littles with you! Supplies will not be provided for them, so make sure to plan for that. You will be surprised by what they pick up on just from watching and listening! This is an "all-hands-on-deck" co-op that we hope will be a fun (and sometimes wild) time for all of us to learn and guide our kids through lessons together.

Calendar for Fall 2024:

- Mondays 10am-noon + optional lunch until 1pm
- September 9th – November 11th

- Monday, September 9th
- Monday, September 16th
- Monday, September 23rd
- Monday, September 30th
- Monday, October 7th
- Monday, October 14th
- Monday, October 21st
- Monday, October 28th
- Monday, November 4th
- Monday, November 11th

★ Monday, November 18th bonus day! Sewing for the girls and building for boys!

★ A new Faith Hero Day TBA!

★ We hope to have a couple of optional field trips sprinkled in throughout the semester and a Christmas party on December 9!

Supply Fee: \$20 per kid

Co-op Schedule:

- 10am Open with kid presentations and family presentations
- Pray together
- Sing a hymn (we will work on one hymn every 5 weeks + learn about the hymn writer)
- Scripture Memory (we will work on memorizing an entire Psalm over the 10 weeks)
- **Science** 30 minutes of learning including an activity
- **Art** 30 minutes including a lesson about church history and an artist of the same time period followed by an art project that coincides
- **Bonus Subject** 30 minutes of a “Bonus subject”
- **Lunch** pack a simple lunch & eat with friends from 12-1!

Fall 2023 Subject Overview

The following covers an overview of the subjects planned for this semester. These subjects will not be discussed or taught in depth. We will focus on the basics, which gives each family freedom to explore more at home if desired! This is not meant to be a curriculum, but instead an added resource and an opportunity to build community. We want to add value to each family’s homeschool experience, not add work!

Science:

- Weeks 1-6 we will learn about space and do some fun experiments
- Weeks 7-10 we will focus on some basics about how God made Earth

Art:

- Basics about 12 artists and the time period they lived including 5 minutes coinciding Church history
- Projects will include painting with water colors and tempera paints as well as some simple building activities

★Please bring a painting smock or old shirt for art every week if you do not want paint on clothes. All paint should be washable!

Bonus subjects:

- All about Presidential Elections
- Basics about Greek
- The art of map making
- How God can use kids for evangelism
- Preparation for our spring science fair
