5) Purchase supplies to support and partner with the Interfaith Rotating Winter Shelter

WHY: *For the past 13 years, the Interfaith Rotating Shelter of Davis (IRWS) has provided a hot meal and a warm bed to unsheltered people during the cold and rainy months. This year, due to the COVID-19 pandemic, we are unable to house guests in a congregate setting, that is having guests sleep near each other in one room. We are fortunate that we have received funds to house up to 40 of the most vulnerable people in our homeless community. We have access to 24 two-bedroom apartments in Davis. Each apartment will house up to 2 participants. Our program runs from October 1, 2020 through March 31, 2021. Our program goal is two-fold: 1) to shelter those most vulnerable to COVID-19, that is, those over the age of 65 and those with underlying health conditions and 2) to permanently house 50% of the participants by the end of our 6 month program.*

Suggestions for how to participate in the experience: **See the following list of items to donate and/or email Patti Hobbs and Sarah Danley at irws@interfaith-shelter.org**
