# CORPORATE PRAYER & FASTING GUIDE

DISCOVERY CHRISTIAN CHURCH

**PRAYER** is communicating with God and part of communicating is listening. We believe in corporately pursuing Jesus together. Let's press in and tune our ears to heaven, receiving guidance and vision for this new season in our church as we continue to help our community learn about the good news of Jesus.

**FASTING** is a way of denying ourselves to be more attuned to God's spirit, and it is a way of disciplining our bodies and our cravings. Fasting leads to a stronger sensitivity to the Holy Spirit. As we enter into Brunelle Theatre once again, we are stepping into a new season for our church family. This is an opportunity to break familiarity and refocus our hearts, vision, and purpose on what God has for us.

**From September 6-11 we invite you to join us in praying and fasting in preparation for our re-entry into indoor gatherings.**

Some different ideas of what you can fast: one meal a day, social media, TV, movies, video games, sweets, snacks, etc. Use the time that you would be eating a meal or watching a movie or fasting whatever you choose to focus on praying for the specific prayer points for this week. Or set an alarm on your phone for a time each day where you can spend time praying for Discovery, getting into the Word of God, and listening for what the Holy Spirit is speaking to you for our church body.

We encourage you to journal or take notes on what scripture you are reading and what you feel the Lord is speaking to you. Pray and ask God what He would like to share with our church. Be bold and share with leadership.
