VERSE 2

Oh what love
Wounded for me
The son of man to shed his blood
On a hill called calvary
The Fathers will to crush
His perfect royalty
That I might know thee fixed for all eternity

VERSE 3

On the earth
When he stands at last
Every ransomed son and daughter
From every tribe and tongue will gather
And though my flesh may be destroyed
With my eyes I will see God
For I know my redeemer lives
