

“All For One and One For All”

Ephesians 4:1-16

LEARN

[Knowing God’s Truth: Scripture](#) (29:07) *Examine the nature of God’s word and work through the concepts of inspiration, authority, clarity, infallibility, and power—as well as what all of those ideas mean for Christians as they interact with Scripture.*

Supplemental books/workbooks can be purchased [here](#)

1. Read Ephesians 4:1-16. What from the passage and sermon impacted you most?
2. According to verses 11–16, how does Christ build and mature His Church?

PRACTICE

1. In light of our shared calling, describe what it looks like to “walk in a manner worthy” of it? Share where you’ve seen someone in your group do this and how it has encouraged you.
2. How does seeing your gifts as “Christ-bought” impact you? How does that reshape how you are serving?
3. What can be some take-aways from this sermon for different seasons of life?
4. What gift might you be neglecting or holding back? If nothing comes to mind, would you be open to others in the group speaking encouragement by naming a gift they see in you (especially one you may not recognize) and how it could be used to build up the church? Action item: As a group, set a reminder and follow up in a few weeks to see how God is using this and how we can continue to encourage one another?

CHANGE

1. Pastor Tyler’s sermon from July 27th titled “From Consumerism to Contribution” resulted in a question being asked that week as follows: *“Where are you functioning as a contributing part of our church body? How are you contributing to building up others spiritually? If you’re at a stage where you don’t know how to build up others spiritually don’t be discouraged, everyone has a starting point. Discuss practical steps that you can take and others can help you with in order to grow toward maturity.”* As we look back to six months ago, what is different now?
