Fall 2024

Hello Parent/Guardian,

My name is Julian Huang, and I am excited to introduce myself as the interim Kids Bible Club Coordinator. And, I'm delighted to kick off this fall with a continuation of the excellent mid-week program that EFree has provided to children for decades. I am so thankful to have help from many of our past teammates, Alivia, Gloria, Jessi, Linda, Sheri, and Walter are returning, and I am looking forward to an outstanding year ahead! If you'd like to volunteer on Wednesdays, please let me know! We could sure use the help.

We are pleased to welcome your child(ren) to Kid's Bible Club (KBC)! This year, during the 2024-25 school year, our KBC kids will embark on a study designed to help children learn and know the Wonders of God. We will begin with a unit entitled "Be Wonder-Filled" with lessons teaching that God knows me, Jesus loves me, the Holy Spirit leads me, and because I am a child of God, I can tell others of His wonders. Throughout the year, the kids will learn that having a relationship with Jesus will help them see the wonders of God written on their hearts and lived out in their everyday experience.

Each week the children will participate in live Worship and Bible Story time, then break out into small teams by grade. In their teams, they will rotate with a leader to their Team Time, then to Recreation where they will play a fun, lesson-focused game. We encourage participation with a point system that allows kids to earn points for both their teams, and for themselves. At the end of each quarter, we award top team prizes and the kids get to spend their personal points at our much loved "KBC Club Shopping" store.

Children in KBC can earn points for their teams and themselves in four (4) ways, "ACT+1":

- 1) **Attend** on Wednesdays
- 2) **Challenge Card** / Bible Memory Verse Bonus – Turn it in each week \*
- 3) **T-shirt** – Wear your team t-shirt \*\*
- 4) **+1** – Bring a friend to KBC!

**\*Something new to KBC this year! In addition to the regular challenge, each week's Challenge Card will have a Bible Memory Verse on the reverse.** Kids will be taught the verse during their Team Time at KBC. Then, if you'd like to work with them at home on memorization you can help them earn optional BONUS points each week. If your child says their verse at home from memory, initial the box below the verse and they'll receive their BONUS points when they turn in their Challenge Card the following week!

\*\*Until children receive their Club t-shirt, they will receive points for wearing their team color:  
4 & 5 year olds = Yellow; 1<sup>st</sup> & 2<sup>nd</sup> Grades = Red; 3<sup>d</sup> & 4<sup>th</sup> Grades = Green; 5<sup>th</sup> Grade = Blue

Check-in starts on the patio at 6:15 p.m. and we begin at 6:30 p.m. Please be here to pick up your children promptly at 8:00 p.m. in the Landing. The Fall Quarter syllabus is printed on the reverse for your convenience, and can also be found at [efreedb.org/children](http://efreedb.org/children).

Should you have any questions or concerns, please feel free to contact me at [luj43ecard@gmail.com](mailto:luj43ecard@gmail.com).

For Christ and the sake of His children,

Julian Huang  
Kids Bible Club Coordinator
