PRAISE

REQUESTS

- Pray that all in attendance will give their attention to the ministry of the Word of God. Pray that they will, in humility, receive the word implanted in them, and be doers of the Word, not merely hearers (**James 1:21, 22**).
- Pray that our worship in music come with the Spirit's power and direction to magnify the Lord and bless the saints.
- Pray that the exposition of the Scriptures be accompanied by divine power to edify, equip, and renew the minds of the saints.
