Lesson 9: Hebrews 10:19-39, "Exhortations and Warning"  
March 17, 2024

1. What is the primary exhortation of Hebrews? In light of that, what were the Hebrews told to do and not do?
2. In 10:22, the exhortation is to "draw near with a sincere heart." Could that be done under the Old Covenant? What gives us the confidence to do that under the New Covenant?
3. What do you learn from the Hebrews references to the throne or right hand of God?  
Heb. 1:3, 8, 13; 4:14-16; 6:19-20; 8:1-2; 9:11-12, 14; 10:12-13; 12:2
4. What do 10:19-20 say about the veil? What more do you learn from Mt. 27:45-53, Jn. 14:1-6?
5. What are the three exhortations in 10:19-25? How do we practice these?
6. What is the warning in 10:26-31? How does it compare with the others in Hebrews 2-6?  
Heb. 2:1-4; 3-4; 6:1-8
7. What do we learn about deliberate/willful sin from Num. 15:22-31, and how does this compare with Heb. 10:26-29? Look up the verb tense for "go on sinning" in 10:26. What does this tell you? And explain what is happening in 10:29.

8. How do Deut. 32:35-36 and Ps. 145:20 relate to this in regard to God's character?
  
9. What are 10:32-39 about? And what does the author exhort them to do in vv. 35-39?
  
10. Heb. 10:37-38 quotes Hab. 2:3-4. It was written before the southern kingdom of Judah was taken captive by the Babylonians. Hab. 2:4 is also quoted in Rom. 1:17 and Gal. 3:11. So what did the Jews understand this quote to mean?
  
11. What are the definitions of "shrink back" and "destruction?"
  
12. What do the following references tell us about the future and the Lord's coming? Are you eagerly awaiting the Lord's return?  
Heb. 1:13; 2:5; 6:11-12; 9:27-28; 10:25; 12:25-29; 13:14
