

TODAY BEGINS A QUEST TO **MAKE ROOM** FOR THE NEXT GENERATION AT ENCOMPASS.

The next month is set aside to focus on God's Word and to seek His wisdom in this season of ministry. Pastor Kevin will begin a 5-Sunday "Make Room" Sermon Series, and in the week following each sermon, you are encouraged to prayerfully walk through the daily devotional in this binder. **The goal is to consider how God would have each of us use the resources He's given — large or small — to further His Kingdom as we "Make Room for the Next Generation."**
